The Noble Qur'an Transliteration

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

In the name of Allah, the most Beneficent, the most Merciful

All Praise is due to Allah, the Lord of the Worlds, the [One Who] Sustains the Heavens and Earths, Director of all that is created, who sent the Messengers (may the peace and blessings of Allah be upon all of them) to rational beings, to guide them and explain the religious laws to them with clear proofs and undeniable arguments. I praise Him for all of His bounties. I ask Him to increase His Grace and Generosity. I bear witness that there is none worthy of worship except Allah alone, who has no partner, the One, Who Subdues, the Generous, the Forgiving. I bear witness that our leader Muhammad is His servant and Messenger, His beloved and dear one, the best of all creation. He was honoured with the Glorious Qur'an that has been an enduring miracle throughout the years. He was also sent with his guiding Sunnah that shows the way for those who seek guidance. Our leader Muhammad has been particularised with the characteristic of eloquent and pithy speech, and simplicity and ease in the religion. May the peace and blessings of Allah be upon him, the other Prophets and Messengers, all of their families and the rest of the righteous.

Quran Transliteration

1. We like to emphasize that this text is not a substitute for the original Arabic Holy Quran. It is only an attempt to help those who are trying to learn to read the Arabic text, since it is as close to the written text as possible.

2. It is important to practice pronouncing the letters as directed in the [transliteration table](#), especially the underlined letters, before starting to read. It will be helpful if an Arabic speaker can help you.

3. This work is free for use to everyone as long as no changes that might distort it are done to it. we request from those who benefit from it to pray for us. We pray to Almighty Allah to help you learn to read the Holy Quran, and to do every good thing.
